

# MX660-T RGB

Advanced Mid-Tower Case with COUGAR's Iconic DNA

MX660-T RGB is an upgraded mid-tower case, which continues COUGAR's iconic style. The transparent front panel features minimalist style with folding angles. With three ARGB VK120 fans and a crystal clear tempered glass left panel, you are freely to create a clear view of your computer's internal components.

## Creative Styles and Spectacular Lighting Effects

When installing RGB fans at the front panel, the transparent acrylic panel enhances the fluid lighting effects, which helps you to present a stunning build!

## Easy access and connectivity for all your devices

With USB 3.1 Gen-2 Type-C and USB 3.0 ports, MX660-T RGB connects to the latest devices. It also brings high-speed connections to fulfill massive data transfer needs for the ultimate PC enthusiast.

## Enjoy the Dazzling RGB Show

The integrated lighting button and ARGB VK120 fans with built-in LED controller, allows MX660-T RGB to display amazing lighting effects. It's also adaptable with any compatible motherboards' 5V ARGB connection for system-wide lighting synchronization. The powerful lights come out of a stylish panel and the reflective surroundings helps reinforce the RGB effects.

\* Top fans and radiators are optional, specifications might vary depending on the country or region of sale.

## Vertical GPU Support

This revolutionary case is both about performance and aesthetics. To bring your system's awesomeness to the limit, MX660-T RGB supports vertical GPU installation.

\* Please choose either of a Vertical Graphic Card or 2.5" SSD trays on the PSU cover to install.

\* Top fans and radiators are optional, specifications might vary depending on the country or region of sale.

## Top-notch Gaming Hardware

To offer top-notch performance, MX660-T RGB is able to house a mighty build. Its excellent support for up to 340mm-long graphics cards and E-ATX motherboards bring you unprecedented freedom of hardware system.

\* Top fans and radiators are optional, specifications might vary depending on the country or region of sale.

## Three ARGB VK120 fans included

VK120 fan with Tri-Directional RGB Circle of Light that deliver a powerful and bright RGB lighting effect. In addition, VK120 equipped premium Hydro-Dynamic-Bearing and PWM function can provide more durable and silent performance.
